### Hero Worshipers.

Every man who praises a hero more than the hero deserves will abuse his neighbors more than his neighbors deserve. Every man who will march in a torchlight procession and cheer his head off for a candidate he knows almost nothing about will accept gossip on testimony he knows to be untrue.—Atchison Globe.

### How Good News Spreads.

"I am 70 years old and travel most of the time," writes B. F. Tolson, of Elizabethtown, Ky. "Everywhere I go I recommend Electric Bitters, because I owe my excellent health and vitality to them. They effect a cure every time." They never fail to tone the stomach, regulate the kidneys and bowels, stimulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run down men and women, restoring strength, vigor and health that's a daily joy. Try them. Only 50c. Satisfaction is positively guaranteed by Oberdorfer.

### To Encourage Thrift.

Schoeneberg, one of the municipal cities of greater Berlin, has passed an ordinance requiring its municipal savings bank to issue to each new born baby a pass book showing a deposit of one mark, or about 24 cents, presented by the city, not as a partial compensation for being required to enter this cold world, nor yet regarding the parents, but as an encouragement to thrift on the part of both child and parents.

### An Awful Eruption

of a volcano excites brief interest, and your interest in skin eruptions will be as short if you use Bucklen's Arnica salve, their quickest cure. Even the worst boils, ulcers or fever sores are soon healed by it. Best for burns, cuts, bruises, sore lips, chapped hands, chilblains and piles. It gives instant relief. 25c at Oberdorfer's.

### Rewards of Great Living.

The rewards of great living are not external things, withheld until the crowning hour of success arrives; they come by the way—in the consciousness of growing power and worth, of duties nobly met and work thoroughly done. Joy and peace are by the way.—Hamilton W. Mabie.

### Built on Others' Misfortunes.

Every large fortune is a tree which has its roots struck in the misfortunes of millions.

### Seize the Golden Moment.

Alas for those who let the golden moment pass—who let the gate of opportunity be shut in their faces, while they wait before it trying to muster favoring conditions, or argument and authority, like an army with banners to escort them through.—Sarah Orne Jewett.
